

1. Shipping

Orders placed before 2pm on a business day are roasted the same day and shipped the next morning. Orders placed after 2pm, or on a weekend, are roasted on the next business day. Domestic delivery takes 2 to 4 business days. International delivery takes 7 to 12 business days and the customer pays any import duty charged on arrival.

Free shipping applies to domestic orders above 120 reais. Below that the flat rate is 18 reais. There is no free shipping tier for international orders.

2. Returns and refunds

Unopened bags can be returned within 30 days of delivery for a full refund. Opened bags can be returned within 14 days only if the coffee is stale or the roast date printed on the bag is older than 45 days at the time it was shipped. We do not refund a bag simply because the customer did not enjoy the flavour profile, but we do offer a one time exchange for another roast of the same weight.

Refunds are issued to the original payment method within 5 business days of the return arriving at the warehouse. A refund to a credit card can take a further 2 billing cycles to appear, which is the card issuer's schedule and not something we control.

3. Subscriptions

A subscription renews every 30 days at 8am. The customer can pause, skip a single delivery, change the roast, or cancel at any time before the renewal runs. Once the renewal has been charged the order is already in the roasting queue and can no longer be changed, only returned under the policy in section 2.

Subscribers get 15 percent off every order and free domestic shipping regardless of order value. The discount does not stack with seasonal promotions: whichever is larger applies.

4. Wholesale

Cafes and offices ordering more than 10 kilos per month get wholesale pricing, net 30 payment terms and a dedicated account manager. Wholesale orders are not eligible for the subscriber discount and are not covered by the 30 day return window, because the coffee is roasted to order.
